

# SARATOGA REGIONAL YMCA 2020 COMMUNITY IMPACT

Since COVID-19 impacted our organization in March 2020, our Ys have continually served to strengthen communities. We shifted facilities and operations to best support and care for children, families, seniors, and our neighbors most in need during the pandemic.

Provided **90** children and families with essential full-day care throughout the pandemic.

Over **10,000** total virtual workouts were logged by seniors who remained active during the pandemic.

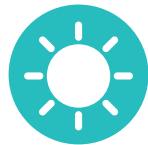

Hosted **8** food and hygiene drives that resulted in **20,000+** pounds of product for local organizations.

**\$272,540** was awarded in financial assistance to those who needed us most in our community.

Since reopening on September 1st, we have had **138,823** visits with **0** positive COVID cases resulting in spread.

**15,400** hours of Summer Care were provided to children safely, resulting in **0** positive COVID cases.

Reached out to over **5,000** senior members to help lift spirits, and help prevent social isolation.

**240** units of blood were collected at **6** American Red Cross blood drives.

Provided **95** children with remote learning support and **475** children with a safe and enriching before and after school experience.
